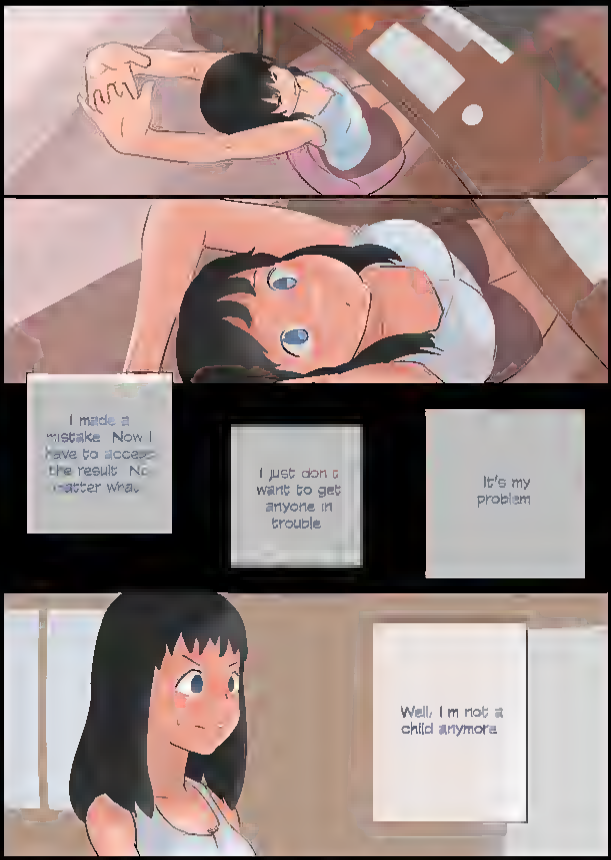
...Is it that bad...
Maybe I'm just looking in the wrong place?

Teenage Mom

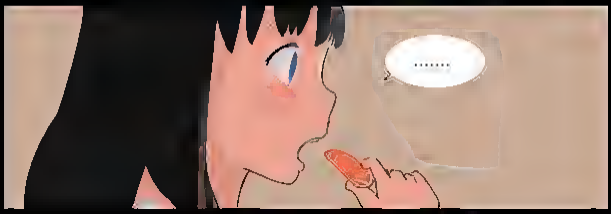
Author & Artist theterm

Chapter 3 : To tell.



I made a mistake. Now I have to accept the result. No matter what.
I just don't want to get anyone in trouble
It's my problem
Well, I'm not a child anymore

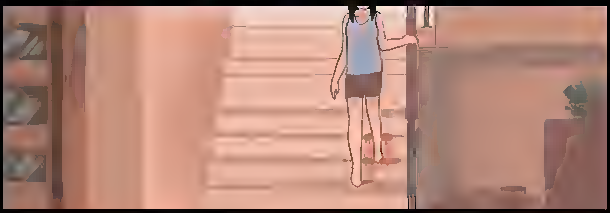
growl
I'm feel I'm hungry more often lately
I wonder if Mom has any leftovers...



.....

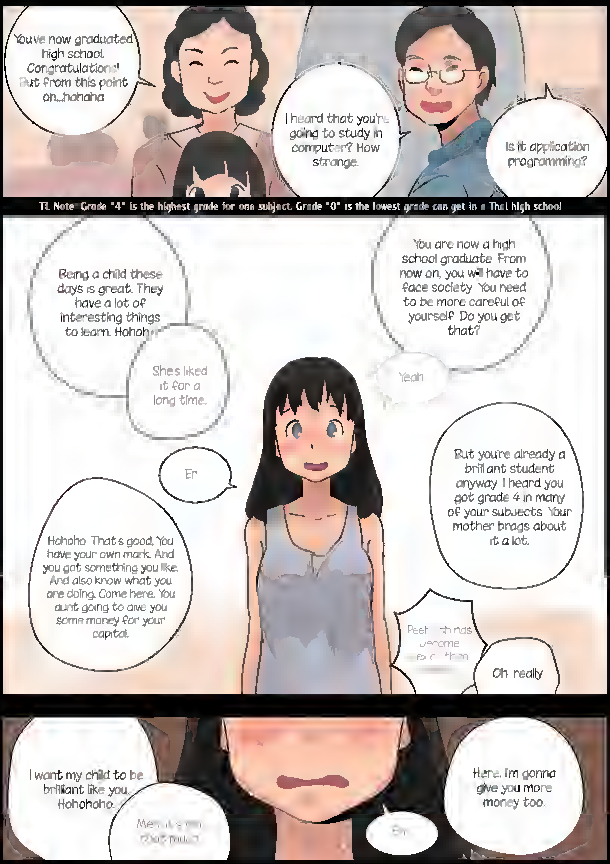
Am I really not a child anymore? Yeah, it's true that I graduated high school. I'm even heading to college. But the more I think about it--
I still wake up late. I can barely cook. Even when grocery shopping, I still can't choose the ingredients properly.
I can't even drive a car. And lastly... When I'm hungry, I still think of my mom.

Telling mom and dad is my best option.



TL Note: The word "Peeh" in Thai can refer to both "Big bro" or "Big sis" in English

You're up already? I was just about to wake you up myself
Ehhh!
Uncle, aunt, and er... you're all here?! Is today Chinese New Year... Chinese Funeral Day, Reunion Day or something?
They've just come to surprise you, dear
I'm surprised too. They were passing by the area, so they decided to visit us.



You've now graduated high school. Congratulations! But from this point on...hohoho
I heard that you're going to study in computer? How strange.
Is it application programming?
TL Note: Grade "4" is the highest grade for one subject. Grade "0" is the lowest grade can get in a Thai high school
You are now a high school graduate. From now on, you will have to face society. You need to be more careful of yourself. Do you get that?
Yeah
Being a child these days is great. They have a lot of interesting things to learn. Hohoho
She's liked it for a long time.
Er
But you're already a brilliant student anyway. I heard you got grade 4 in many of your subjects. Your mother brags about it a lot.
Hohoho. That's good. You have your own mark. And you got something you like. And also know what you are doing. Come here. You aunt going to give you some money for your capital.
Oh really
I want my child to be brilliant like you. Hohohoho.
Here. I'm gonna give you more money too.
Er

Er... May I be excused for a while, please?
How am I supposed to tell Mom and Dad like this...
